

Why Does NewHope Community Care Exist?

NewHope Care has a vision of a caring community: loving God, loving each other and serving the world.

We move towards the vision by caring: by empowering people to transform their worlds.

We do this by being

- Christian
- committed to people in need
- stewards
- partners
- responsive.

NewHope is, therefore a Christian not-for-profit relief, development and advocacy organisation dedicated to providing opportunities for needy children, adults, families and communities that empower them to transform their worlds.

"I was hungry and you fed me

I was thirsty and you gave me a drink

I was homeless and you gave me a room

I was shivering and you gave me clothes

I was sick and you stopped to visit

I was in prison and you came to me."
