

Partnering @ NewHope

What we do: Love God, Love Others, Serve the World

What we seek: Thirst → Impact → Growth

What we value: Passion, Care, Invitation, Sacrifice, Faith and Transformation

The way we do it: Helping people experience community where Jesus is encountered

Our desire at NewHope is to help people everywhere **experience** life changing community centred in Jesus. We do this by partnering as followers of Jesus and taking our love for God and each other into every relationship as we network everywhere and serve the world as Jesus did.

Partners at NewHope embrace five aspirations. Partners say:

1. I follow Jesus! (Luke 9:23)
2. I feed myself. (2 Timothy 3:15-17)
3. I connect with people. (1 Corinthians 9:19)
4. I tell my story (1 Peter 3:15)
5. I give my life away. (Mark 10:45)

Some personal commitments I will work on in the next 12 months:

- I will attend worship regularly
- I will read & reflect using the NewHope 2-year bible reading plan
- I will keep a current *Impact Card* containing the names of 3 friends who don't follow Jesus yet.
- I will take the *Alpha Course*
- I will bring a friend to a NewHope worship service or a connecting event/ministry
- I will give regularly to the Lord through NewHope and have prayerfully decided the amount of my gift
