Love Mercy
Micah 6:8
Jess Sanders

Jess finished her sermon with these questions:

Look inside you

What can you do to strengthen your faithfulness to God?

How can you engage in mercy, without it just being empty sacrifice?

Look around you

How can you lift up and honour those around you?

In what ways can you lift off oppression from others?

How can you encourage people to see themselves as God sees them?

How can you be a circuit breaker and stop a cycle of revenge?

In what ways can you make a sacrifice to see others benefit?

How can your "random acts of kindness" become less random?
