A Fresh Start - Judgement and Mercy

Ezekiel 39 : 21 - 29

1. What would it take for your most ungodly friend or acquaintance to acknowledge and confess God?
2. What is the consequence of the actions that the Lord said He would take in verse 21?(verse 22).
3. This action and reason for action is repeated many times in the book of Ezekiel. Why do you think that this is so?
4. What are the reasons that cause God's judgement to come down on the Israelites? (verses 23, 24)
5. Why do you think God turns from judgement to mercy in verse 25?
6. Think about the two attributes of God in His judgement and mercy. How does relate to His treatment of the Israelites and how God might deal with your friend in question 1?
7. Read Romans 6 : 23 and discuss how this displays God's judgement and His mercy.
8. What is the ultimate way by which God showed His mercy to us?
