'JESUS: A WORTHY MENTOR'
ALLAN DEMOND
MARK 1:14-28

This week we start a new series and commence with the big question - Who do you follow?

Think of the many people, customs and events that determine how you live your life.

Did you make conscious decisions to follow them, or did they just happen?

If the church's challenge is to follow Jesus, how would this change the way we do things?

Read Mark 1 : 14 - 28.

This relates the start of Jesus' earthly ministry. What did Jesus mean by "fishing for people"? (Vs. 17)

Who do you follow when you dream? Holiday, friendship, relationship?

God's dream is creation restored. What would that be like?

If you just follow the crowd, how could this end up?

Why should we follow Jesus? Discuss Jesus' claim in John 14 : 6.
