5TH JULY 2015  
LANCE BLYTHE  
A GLOBAL COMMISSION: MAKE DISCIPLES  
MATTHEW 28:16-19

What promises have been made to you that have been broken?

When the disciples met Jesus on the mountain, what were their feelings?

Do you expect Jesus to meet you in your daily round? Do you expect Jesus to meet you in worship?

If your response is half-hearted, why do you doubt? What would it take for your attitude to change?

What commands does Jesus give to His disciples on the mountain? What commands still apply today?

What right does Jesus have to make these commands?

What is His promise to us? What should this mean to us?

Has Jesus broken His promise?
