A GLOBAL HOPE: REPENT AND RECEIVE
ACTS 2:5-24; 37-39

Describe in your own words the fourfold content of following Jesus contained in V 38: (Repent; Baptism; Faith in Christ; Gift of the Holy Spirit)

How important is the 'total package'? Is one more important than the other?

When asked, 'which side of the day of Pentecost do you live?' (a) What is the meaning of the question; (b) How might you respond & how does that challenge you?

(Similar Question) The Holy Spirit is a gift but we as believers have to unwrap the gift - we have to tune in to what God has for us. How might we do that?

What about the church? To what extent is the church in general (and NewHope) filled with the presence and power of the Holy Spirit? What's our role in that?

Read Rom 8: 5-6, 9, 11, 14-16 - Describe the actions of the Spirit

Do you think the instruction contained in Eph 5:18b is a one off/continuing event?
What are the implications for you?

How does the previous instruction relate to the advice and results contained in Eph 5: 8b-9?

If we take the above REALLY seriously, how might we live differently as worshipers, givers and servers?

Optional Prayers for the Group/Members:

1. Asking the Lord to get to know Him more.
2. If we want to more actively receive what the Holy Spirit has for us (includes repentance.)
3. For our church - a fresh wave of God's Spirit including in all ministerial areas.

Paul's powerful prayer in Ephesians 1:17-20 can be used for the above.
