KIM HAMMOND
A GLOBAL HEART
LUKE 7:11-17

Read Luke 7:11-17 and discuss briefly - “Jesus gave the son back to the mother”. What does this say about Jesus love for the widow and for everyone ?

1. Kim’s statement “Jesus life in his 3 years of ministry was a very busy time”. We often say we are too busy yet Jesus took time for a widow so “what does this say about your heart for your neighbours and for people living overseas”, do they fit into your agenda? If not what should we be doing to follow Jesus model ?
2. Kim’s statement “God does supernatural healings”, is this still valid today or was it only valid in the Church age soon after the resurrection i.e. have we reached the end of the age of miracles? How does my answer impact my own life ? Discuss and tell “anonymous stories” if necessary of people you know who witnessed miracles or share your own experience .
3. Kim told the story of the City of Casey “which has the highest rate of youth suicide , drug abuse etc., and the Devil wants us to give up and yet we know God will never leave us”. Discuss this situation in Casey in relation to “ God has come to help His people”[Luke 7 :16] ?
4. Kim said “Jesus puts us back together so we should pray”
 1. Ask God to give you supernatural eyes to see.
 2. Ask God to pray for your heart
 3. What can I do to be obedient to God.” If we pray this prayer what difference will it make to your life ? Write down at least three things that will need to change . Are you prepared to share some of them?
