2 Cor 5:11-21

1. What is something "crazy" you have done?! What was it driven by?
2. What was Paul's motivation (verse 13-15)?
2. How does our view of **ourselves** impact our "craziness?"
3. What was your response to the story of the recent security event in China?
4. How does our view of **others** impact our "craziness" (verse 16-17)?
5. What is the principle of Paul's commitment in 1 Corinthians 9:19-22?
6. How does **God's** view of us impact our "craziness" (verse 18-21)?
What difference does God's rebooting of your life make?
7. What is God's challenging you or your small group about? What does crazy look like? Where is it time to bungee jump, to do whatever it takes?
