TAKE EACH OTHER'S WORRIES TO GOD  
JAMES 5:13-18

It's good to see relationships working. Does your family do things together because you are family?.

What do you do with your worries?

What do you do when confronted with other people's worries?

How do you respond to the items on the six o'clock news?

How do you equate that response in light of what you believe God can do?

We are not meant to do things on our own! God has designed us with the ability to interact with each other!  
We can have closed hands, open hands or we can join hands!

Identify the three significant worries from the passage in James? (5 : 13 - 18). What are the three solutions offered?

Consider the help offered and given to these Bible characters -

Moses - Exodus 17 : 11 - 13

King Jereboam - 1 Kings 13 : 1 - 6

Elisha - 2 kings 6 : 14 - 18

Sennacherib - 2 kings 19 : 20 - 26

Nehemiah - Nehemiah 4 : 14 - 23

The paralysed man - Mark 5 : 17 - 20

Five thousand people - Luke : 9 : 10 - 17

Read Philippians 4 : 6,7. Summarise God's instructions to Christians as expressed through the Apostle Paul?
