HELP EACH OTHER WIN: ENCOURAGEMENT
ROMANS 12: 10

Many people brought symbols of their workplace activities as a dedication of themselves to the Lord's service. The Pastor then prayed for each of us as we represent Jesus in the everyday workplace.

The devil's tactic to take us away from being effective in our everyday ministries, is sin. Have you experienced this in your ministry?

James 1 : 13 - 14 states that sin starts as a temptation. Where does this temptation come from?

Can we stand alone against temptation? Consider this antidote - "encouragement". Hebrews 3 : 12-13. Tease out this thought!

How often should we encourage each other?

What caused Cain (best grain) to envy Abel (best animal). Where was Cain's heart compared to Abel? Competitiveness is not necessarily a bad thing. How can we work this for good in our Christian community?

Hebrews 10 : 24 encourages us to spur each other on. How can we do this?

What should be our attitude when others are rejoicing - when others are hurting? (Romans 12 : 15).

Who is our example in this? (Hebrews 4 : 15)
