

A Life of Hope

'A WORLD FULL OF LIGHT'

GENESIS 1:1-5; REVELATION 22:5

1. Read Isaiah 5 :7 and 5:20 -24 and verse 30 . God has confronted Israel over its sin. So what are the consequences of sin in Israel as described here and in our own lives if we reject God ? Allan used a picture of an untameable Leviathon causing chaotic destruction. What was this about ?
2. Read Isaiah 60 : 1-5 and verse 19 -22 . What are the main contrasts of this chapter and Isaiah 5 in terms of light and darkness, and the way people live and the consequences of that life ? Why did Allan refer to Exodus 10:21 about people “living in total darkness for 3 days” ?
3. Allan gave us 3 contrasts :-
 - Good and evil.
 - Life and death.
 - Wisdom and ignorance.What does this tell us about people living in the light of Jesus Christ, and those living in darkness – discuss ?
4. Allan said “Israel kept choosing evil rather than light- God raised up Jesus Christ as the light of the world – whoever follows Jesus will never live in darkness” and “we become light to others...so let your light shine”. Why was it that Israel the nation God chose among all others to be “His people” and to live under His law lost there way so often and contrast this with those who live as true followers of Jesus Christ?
